THE BISHOP'S CO-ED SCHOOL, UNDRI**

MOST IMPORTANT EXAMINATION NOTICE

5th December 2009

Dear Parent

Greetings & Good Wishes!

All parents of the 3 Schools are hereby reminded that the **Examinations commence from Monday, 7th December 2009**. I would like to make a few points clear over here, because of the H1N1 Flu situation.

- 1. Any child who is in quarantine for H1N1 SHOULD NOT BE SENT for the Examination and due consideration will be given at the time of promotion, if the H1N1 Positive Certificate and other medical documents are produced to the School by Tuesday, 8th December 2009. Kindly note that this must be produced in original, if you want this consideration to be given to your child.**
2. If any child is down with fever, cough or cold, he / she should not be sent for the Examination and a Doctor's Certificate needs to be sent in stating the reason for his / her absence.
3. The teachers will be checking the children for symptoms of fever, cough and cold and we will call for the parents to take the child back home without appearing for the examination, or shall send the child back in our own school transport and charge the parent accordingly.

Please do take cognizance of the above and do remember that **YOUR CHILD'S HEALTH IS MORE IMPORTANT THAN HIS / HER EXAMINATION RESULT!**

We wish all our children very good health!

Yours sincerely

**FRANK FREESE
PRINCIPAL, CEO & HON. SECRETARY**
