Minimum amount should be more than Rs.100**

**Important Points for Online Payment**

1. Pay your bills/outstanding amount automatically through your credit card and debit card. Pay on-Line lets you say goodbye to cheques, postage and potential late payment charges
2. There is a possibility of link getting disconnected, during returning from the BANK after successful Bill Payment. In that case, you will not be able to see the 'Digital Receipt' of the Bill Payment made since the Portal system will not know the details of the transaction made. If this occurs, PLEASE DO NOT ATTEMPT to pay the bill again. The portal system will shortly receive confirmation from the BANK through alternative backup channel and the details would be updated to your Bishop's Online account.
3. Any excess amount paid would be credited to your child's account and would be adjusted in subsequent bills.
4. Do not close the browser or click on refresh/back button while the payment is under progress. Wait for the transaction to complete.
5. The amount paid will be credited to your child's account immediately after successful completion of the transaction.
6. A notification SMS would be sent to your registered mobile number with details of transaction.
7. For any help regarding online payment please contact : +917620084054 or mail to admin@thebishopschool.net
