

THE BISHOP'S CO-ED SCHOOL, UNDRI

SUCCESS IS BEST WHEN IT IS SHARED
(Annual Speech Day and Prize Distribution for the Senior School and Junior College: 2021-2022)

PRIZE DAY!!! A day that is anticipated with bated breath in the very being of every Bishopite! The mere mention of it makes hearts around here sprint with enthusiasm. The classic demonstration of pride, determination and tranquillity of every Bishopite was eminent all around. It had been an amalgamation of hard work through a year filled with an array of activities, which had brought a myriad of victors under one roof to celebrate this special day.

At The Bishop's Co-Ed School, Undri, we realise the significance of the acknowledgement of achievements, whether great or small, in a child's life. Owing to the pandemic, after a gap of two years, we succeeded in putting up a show that was befitting the occasion as the toppers of the past pandemic years (2019-20 & 2020-21) were also recognised for their outstanding performances.

The event was held on Thursday 25th August 2022 at the (B4) auditorium. The programme commenced at 10 a.m. with the welcoming of the **Chief Guest, Mrs Bharti Bhadbade**, PhD Microbiology. This was followed by the introduction of the members of the staff to the Chief Guest. The event resumed with the customary opening prayer by the **Head Master, Mr Russel**. The Principal's Report for the Academic Year 2021-22 was read out to the audience by our **Principal, Mr Julian Luke**. The detailed report was an exemplification of the many facets of the colourful extravaganza we call our academic year. The Principal's report acknowledged the young achievers who have excelled in languages & speech, field of sciences, mathematics, commerce, robotics; along with being outstanding sportsmen and women and also experts in the field of art, music and drama.

Finally, the much-anticipated moment had finally arrived when the triumphant stood eagerly awaiting to receive their reward as they feasted their eyes on the sparkling trophies and sleek certificates. It is worth mentioning that all our toppers of the past three consecutive years were **rewarded with an I-Pad**. Of the **395 students who gave the ICSE Examination 185 secured 90% and above** while in our **first ever batch of ISC 73 appeared and 19 secured above 90%**. The auditorium echoed with a resounding applause when **Tanishq Sahu** as well as **Tanushkumar Yadav** of ICSE walked up the stage for securing 99.20% and **Anshi Patidar** of the ISC for securing 98.75% for the academic year 2021-2022.

Every child walked onto the stage broad-shouldered and with their head held high. Wide grins, firm handshakes followed by loud applauds lit up the hall ablaze as the students received their Certificates of Merit and/or Trophies from the Honourable Chief Guest and School Authorities. What a sight it was, as every teacher and parent's hearts beamed with pride and delight as the students humbly received their rewards!

Following the prize distribution, the Chief Guest addressed the audience with an inspirational and extremely thought-provoking speech. This was followed by the Vote of Thanks proposed by the Head Boy. Just like everything else that is touched by a Bishopite, this occasion was touched too, to be 'Thorough' as our motto has always taught us to be. True to our anthem and till the next spectacular occasion, **"Play Up Bishops! Never Let Our Colours Fall!!!"**
