***'If you have knowledge, let others light their candles in it.'***

An exciting Intra-Class Quiz Competition was held on 25th November 2023, as a part of the bagless day activity. The students of classes 6, 7 & 8 had this enthusiastic and exciting activity in their respective classes.

The primary goal of this event was to educate students on current general knowledge in the field of Science and Technology, Current Affairs, Sports, Business and Entertainment. The quiz was divided into eight rounds. Each round was a mixed bag with questions from history, sports, vocabulary, reasoning questions, technology, famous personalities, astronomy, awards and science. All the students were at the

edge of their seats to know the answers and the participants were very active. The questions put forth to the teams were intriguing, exciting and made them applaud excitedly when the teams answered correctly. This quiz activity truly was a learning experience for all the participants. Having good general knowledge is an important facet of our personality and helps us win at almost everything.

The Intra-Class Quiz Competition resulted in students becoming very responsive, well-prepared, and enthusiastic by following rules. The level of this activity was kept in par with competitive exams to assist students in their academic career. The students appreciated the efforts to broaden their knowledge and learning. It was indeed an interactive bagless day activity for the 'leaders of tomorrow'. Students also enjoyed the educational video which was shown to them after the quiz.
