

## ALUMNI REUNION- BATCH OF 1966

On the morning of 19th of January 2024, the Alumni of the batch of 1966 returned to The Bishops School, Camp, for a wholesome and nostalgic experience of their school years. The Principal, Mr Shayne McPherson warmly welcomed the entire batch and addressed the crowd.

Following this, they re-acquainted themselves with their memories and classmates over a hot cup of coffee in the age-old Harding Hall. There were notable alumni among whom was the Head Boy of their batch. Following this, they were taken around the school by two junior college students - Shreyasi Apte and Reyansh Hooda to tour their old classrooms and recollect their treasured memories. They then went to their old dormitories and were delighted to discover that it was named after their old Principal, Mr Lunn- the Lunn Block. They then visited the boxing ring in the middle of the quadrangle where they used to have movie nights or brawls with their classmates.

The school bell rang for the short break while the alumni were visiting these memorable spots. The children from grades 6 to 9 excitedly came up to the alumni and were very interested to hear what they had to say about "their days in school". The alumni were truly wistful of their moments in school. They then visited the Simba ground, now known as the JeeJeeBhoj ground. They were impressed to see the turf ground along with the numerous extracurricular activities that

the school offers. After this, the Alumni were led to St. Margaret's ground but not before they had taken a batch photograph.

Their age was not a barrier in the intense exercise involved in climbing the newly built Foot-over-bridge to get to St. Margaret's where they indulged in a reminiscent game of cricket with their now-old friends. The Alumni returned to Harding Hall after the game, where lunch was organized by Mr Joshi and his team. The Principal, the Dean, the Headmaster, and the Headmistress of the school accompanied them in the Hall. To conclude, The Principal presented each of the Alumni with a token of the school's appreciation and bid them adieu.

Coming back to the school that they grew up in was truly a yearful and precious experience for them. It reinforced their spirit of “the school that they honour, the best school of all”. The school continues to inspire anew and gives them courage, greater strength, and peace of mind.
