**JUNIOR SCHOOL PREFECTS INVESTITURE CEREMONY**  
**REPORT**

**2022-2023**

---

As quoted by John Quincy Adams- **“If your actions inspire others to dream more, learn more, do more and become more, you are a leader.”**

In the history of ‘The Bishop’s Education Society’, a wonderful and enthralling first-ever, Junior School Prefects Investiture Ceremony was held on Thursday, 21<sup>st</sup> July 2022 marking it as “Red Letter Day” on our school calendar.

This was the first mega event of the academic year 2022-2023. Forty students from class V were invested as Prefects by our school Principal, Mr Julian Luke.

A solemn yet simple ceremony was witnessed by the students and staff of the Junior School. The house prefects marched up to the stage to receive their badges and colours to commence the beginning of all school as well as Inter House activities.

Mr. Luke congratulated the Prefect Body and administered the oath of office to them. They promised to do their duties both faithfully and responsibly. The principal spoke to the students, giving them a vivid description of what was expected from them as prefects, and explained how important it is to treat each student with respect and be diligent in all that they undertake.

It was indeed a moment to cherish, watching these young students take their first step to becoming a leader in their own little way. In process with time, this will enable them to grow in leaps and bounds in the coming years as potential candidates in taking up bigger responsibilities and challenges in the future as leaders.

The ceremony ended with a beautiful song “Believe in yourself”, sung by the student’s choir followed by the School Song and The National Anthem.

It was a proud and memorable moment indeed!
