WORLD ANIMAL DAY CELEBRATIONS-13th OCTOBER,2023

**ANIMALS ARE LIKE LITTLE ANGELS
SENT TO EARTH
TO TEACH US HOW TO LOVE.**

World Animal Welfare Day is celebrated every year on October 4th to raise awareness about the importance of animal welfare and to encourage people to take action to protect animals. The theme of World Animal Welfare Day 2023 is GREAT OR SMALL, LOVE THEM ALL.

The teachers and children of the Nursery, Lower Kindergarten and Upper Kindergarten of the First and Second Session classes observed World Animal Day on 13th October 2023. The objective of this celebration was to instil in the little minds the need to care for animals.

Few pets like a Husky dog, three geese, two rabbits, a Persian cat, fish and a parakeet were brought to school and shown to the children. Children were asked to wear on an animal mask or an animal head gear of their choice. The children were very excited to attend this event and enjoyed themselves thoroughly.

The enthusiasm and active involvement of the parents could be seen from the wonderful and creative animal masks, the children had worn.

The event began with a word of prayer thanking God for all the lovely animals we see around us and praying for the safety of the animals which include, the wild animals, domestic animals, birds, insects and sea creatures. The program began with an introduction and a small talk was given on how we should treat animals with love, kindness and respect. Information was given to our little ones on how animals play an important role in our world and in the environment.

This was followed by a Quiz on animals, where the teachers asked general knowledge questions about animals. “Guess The Animal Sound”, was next, where the children had to guess the animal sound, that was played. This was followed by an action song where the children ran like a Cheetah, roared like a Tiger, flew like an Eagle, climbed like a Squirrel and swam like Fish. At the end, the children took a walk and saw all the animals up close. The day was an enjoyable experience for all the children. It was a pleasure to watch the children’s eyes light up with joy, love and happiness. The celebration concluded on a cheerful note.

The event could not be possible without the constant support, guidance and able leadership of our Principal and our Headmistress. Our Pre – Primary Coordinators, Mrs. Shama Tinwala, Mrs. Olivia Southwell and all the teachers of the Pre-Primary Section, planned the event with a lot of enthusiasm and diligence.

**Ms. Ridha Ahmed
Assistant Teacher
Pre – Primary Section**
