Std 10-Report on Picnic to Imagica Adventure Park

It is always the little breaks in between the studies that are the most relieving and relaxing and when the class 10 Preliminary Examinations concluded, our school decided to give them the best break they longed for: A trip to the Imagica Theme Park. The picnic was decided to be held on the 24th of January, 2023.

The students reported to school at 7.15 am .The class teachers took the attendance of the students and the morning Prayers were led by the Headmaster, Mr. Russell. A total of 300 students set out in 7 buses accompanied by their teachers for a fun-filled day at Imagica. The buses left the school campus at around 8.00 am.

On their way to the theme park, the students had a wonderful time as they sang and danced with their class mates. A duration of two and a half hours passed like a New York minute. Snacks were served on the bus.

We reached Imagica by 10.30 am and were served a scrumptious breakfast of Idli, Sambhar and Upma. Then without a moment to waste, most of the students took on their favorite rides like the Nitro, Scream Machine, Dare Drop and Gold Rush. Others took on Mr. India, I for India, SalimGarh and Alibaba aur Chalis Chor.

A delicious meal of Pav Bhaji, Fried Rice and Manchurian was served at lunch which was around 2.00 pm followed by Chocolate ice cream. After lunch, a huge group of students went for some more rides like Rajasaurus and Deep Space. Sadly good things do come to an end.

The students assembled back in the buses by 4.00 pm and the buses left by 4.30 pm. The students were again served snacks on the bus. Everyone enjoyed the return journey with song and dance. They were all very happy to have spent a wonderful time with their friends. It also

served as a good refresher before their forthcoming Board Examinations. The buses reached the school by 7.30 pm .

It was really great to see the students having a great time on this trip, which might probably be the last trip they would take together ,for most of them. Nevertheless, we hope that they stay this happy, no matter how many troubles come their way and we wish each one of them the best of luck for their Board Examinations.
