QUIZ MANIA

**REPORT ON THE INTER-HOUSE QUIZ COMPETITION
CLASSES 6, 7 & 8
YEAR: 2023-2024**

"Don't limit yourself. Many people limit themselves to what they think they can do. You can go as far as your mind lets you. What you believe, remember, you can achieve." – Mary Kay Ash.

Indeed, we witnessed an event where our students, the true Bishopites, did not limit themselves. They gave their best into making this Inter-House Quiz Competition a success.

The Middle School organised the Inter-House Quiz Competition on 19th October, 2023. The students of the Middle School were seated in the auditorium by 9:15 am and the event began at 9:30 am.

As Mark Twain has rightly said, ***"The secret of getting ahead is getting started."***

Mrs. Glenda Rocha, our compere for the day, welcomed the dignitaries – our Principal Mr. Luke, Headmaster Mr. Russell, Senior School Co-ordinator Mrs. Kurian and Middle School Co-ordinator Mrs. Khandelwal. Thereafter, Mrs. Almeida invoked God's blessings upon the entire event. A scriptural verse was read from the book of **Psalms 127:1 – "Unless the Lord builds the house, they labour in vain who build it; Unless the Lord guards the city, the watchman stays awake in vain."**

Ms. Coreena Akhtar apprised the participants about the general rules and the rounds for the Quiz. She then called upon the participants to introduce themselves and speak about their interest for the Quiz Competition in brief. The order of the teams was decided in a fair manner, the students from all the houses were asked to pick chits and thus the order was finalised.

The seven rounds were:

- Round 1 – Unravelling the World
- Round 2 – India on the Moon
- Round 3 – Making Melodies
- Round 4 – Knowledge Knockout
- Round 5 – Game On
- Round 6 – Big Screen Bash
- Round 7 – Rapid Fire

The Quiz Master, Ms. Akhtar, then led the seven rounds. The first round "Unravelling the World" was a current affairs round which was very well planned and prepared by Ms. Liji Joy. The students answered the questions promptly. We also had two questions for the audience, for which quick and prompt replies were given.

The second round "India on the Moon" was based on Chandrayaan 3, the PPT for which was prepared by Mrs. Ramtirthkar. The students were well prepared for this round and gave relentless answers. The audience too were asked one question. Kudos! To all the teams.

The third round "Making Melodies" was an audio round, the PPT for which was prepared by Mrs. Almeida. Even while the Quiz Master led the round, the excitement was unimaginable. Most of the teams answered correctly after which the audience too showed overwhelming response and answered questions.

The fourth round "Knowledge Knockout" was a mixed bag round with History, Geography, Science and Technology questions. The PPT for this round was prepared by Mrs. Rocha. It was indeed a lot of hard work that went into the same. All of the teams opted for Geography questions and scored as they expected. It was a smart move indeed!

The fifth round "Game On" was a sports round which consisted of two parts, the PPT for which was prepared by Mrs. Sanjay. The students have always had a great penchant towards sports and it was very evident by their responses. There were two questions asked for the audience too.

The sixth round "Big Screen Bash" was a video round which was prepared by Mrs. Paul. The students enjoyed this round and seemed to be on 'Cloud Nine'. Who doesn't enjoy watching videos? This part of quizzing always makes the show interesting! The audience too answered one question and earned a chocolate.

The seventh round was "The Rapid Fire" round which was prepared and led by our Quiz Master, Ms. Akhtar. All the teams gave their best and it was indeed a showstopper and a game changer for all the teams. Well done participants!

While we waited for the scores at the end of round seven, we had an interesting and lively tour of our school through the glimpses shown on the screen. This truly helped the audience and the participants to 'sit tight' while the scores were being calculated. Our Headmaster Mr. Russell declared the results.

The order of results were as follows:

POSITION	HOUSE
First	O'Connor
Second	Rae and Young
Third	Wintle

As Paul Coelho rightly said, **"Impossible is just an opinion"**. We were extremely proud of our participants both main and the stand by students for making it possible and pouring out their heart, mind and soul into this event. It was a glorious time of fun, excitement, knowledge and learning!

The vote of thanks was delivered by Kavin Chaturvedi to all who have worked relentlessly to make this event a grand success.

As someone has rightly said, "Hold the vision, trust the process" so also, we have seen the fulfilment of another successful event at The Bishop's Co-Ed School, Undri.

"Play up Bishop's, never let our colours fall !"
