

REPORT ON COMPETITIVE EXAMINATION 2022-2023

” Competition is good, because it makes everybody better”

Olympiad exams help to create competitive awareness among students at school, national and global level. These exams aim to improve problem-solving ability and analytical thinking skills of students. As a student prepares and competes in such competitive exams, they build a positive academic foundation. They gradually strengthen the student’s analytical reasoning, logical thinking, IQ, and other skills. Our young Bishopites participated in the different SOF Olympiads from class II to XII and won Gold, Silver and Bronze medals in the various subject categories. They were awarded a medal as well as a certificate for their achievements.

Bishops is proud of their efforts and achievements and wishes them all the best for their future endeavors.
