2ND SHIFT PRIMARY SECTION

Report on INTERNATIONAL MUSIC DAY (2023-2024)

WORLD MUSIC DAY

Where words fail, MUSIC speaks!

World Music Day, also known as **Fête de la Musique**, is an annual celebration on June 21ST that promotes the power of music and its universal language. The day encourages musicians of all genres to perform in public spaces, creating a vibrant and inclusive atmosphere for people to enjoy music worldwide. In line with this, THE BISHOP'S SCHOOL (JUNIOR SECTION) students and teachers had a lively, enthusiastic and creative rendition of the celebration of MUSIC on 22nd June, 2023.

The Music department of the Junior school consisting of Mr. A. Barnabas, Ms. Gonmei, Mr. Samai, Ms Menezes put up a lovely musical programme for all students of classes Nursery to 5th; both first and second shift.

The students were taken class by class to the B.W. Roberts Hall where the teachers played and performed the favourite action songs of the children and had them bouncing on their feet! The teachers then proceeded to give a detailed description of the instruments namely guitar, keyboard, drums and the violin followed by a piece on each instrument. Shortly after, the “FREEZE dance” game was conducted which showcased various talented dancers and rejuvenated the mood of all students as they danced to their heart’s content.

It was truly a blissful yet an amazing experience for all the energetic students who thoroughly enjoyed the day to the fullest!
