

THE BISHOP'S CO-ED SCHOOL UNDRI

SCOUTS AND GUIDES EVENT REPORT 25TH NOVEMBER 2023.

("Unveiling Nature's Classroom: Where Scouts and Guides Ignite Creativity, Forge Bonds, and Embrace the Great Outdoors.")

On Saturday, 25th November 2023, The Bishops Co-Ed School, Undri hosted a vibrant Scouts and Guides event, fostering a sense of enthusiasm and camaraderie among the participating students. The day commenced with students reporting at 7:30 am, with a true passion to engage in the day's activities.

After the attendance was marked, a dignified flag hoisting ceremony took place at 8:30 am. The ceremony was presided over by our esteemed Headmaster, who delivered an inspiring address, encouraging the Scouts and Guides for their upcoming camp. His words motivated the students, setting a positive tone for the day.

Following the flag hoisting, the event seamlessly transitioned into a cooking activity, where the Scouts and Guides demonstrated their culinary skills. This engaging activity not only showcased their teamwork and creativity but also provided a platform for practical learning in a fun-filled environment. Following this, the students enjoyed a hearty breakfast, preparing them for the day's adventures. After breakfast, the students engaged in a practical lesson on tent pitching, guided by their patrol teachers. This crucial skill not only fosters independence but also enhances their understanding of outdoor survival. A creative session on pot decoration followed, where students expressed their artistic flair by crafting beautiful pots. This activity encouraged both individual creativity and teamwork.

Post-lunch, the students took a well-deserved break to rest and engage in discussions about the upcoming campfire. This provided an opportunity

for them to plan and organize performances for the evening event. Later in the day, an engaging session on gadget making unfolded, wherein students created useful tools from materials available in nature. The session also included instruction on securing gadgets using different knots, a fundamental skill for outdoor enthusiasts. The day concluded with energizing team-building games such as football and basketball, promoting cooperation and friendly competition among the participants. The highlight of the day was the much-anticipated campfire. Students showcased their talents through dances and skits, judged by Mrs. Russell and Ms. Michelle Russell. The event created a lively atmosphere and strengthened the camaraderie among the participants.

The next day commenced with an early morning walk at 5:30 am, setting a refreshing tone for the day. This was followed by a series of games and a nutritious breakfast, providing a perfect start to the day. The camp concluded with a prize distribution ceremony, presided over by the headmaster, Mr. Russell. Prizes were awarded for categories such as Best Scout, Best Guide, and other noteworthy achievements. Mr. Russell's encouragement added to the students' sense of accomplishment and motivation.

The success of the event was a testament to the dedication of both the students and the organizers, reinforcing the importance of such activities in fostering holistic development and instilling valuable life skills among the youth. The Scout and Guide Camp provided a platform for students to develop essential life skills, teamwork, and creativity. The success of the camp would not have been possible without the dedication of the organizing committee, the active participation of students, and the support of the school administration. The event not only achieved its objectives but also left a lasting impact on the participants, fostering a spirit of adventure and camaraderie.
