A Report on The Lexicon Entrepreneurship Conclave

'FUEL TO FLY'

“Dream big, start small, But most of all, start.”

On 25th July 2023, students of Classes IX and X participated in the event **'FUEL TO FLY'** organized by The Lexicon International School, Wagholi. The Inter school Business Pitch competition was organized to create awareness among the students about various facts and elements of Entrepreneurship.

Today when Generation Z wakes up, to breathe life into every idea crossing their minds, our teams 'Saviours' and 'Trivision' comprising of six students - Preet Wadhvani, Pareet Jain, Krishil Shah, Angel Fernandes, Zaina Sayyed and Vrinda Singh from classes IX and X of The Bishop's Co-Ed School, Undri participated in the event with their viable business model. Both teams presented their products which was named as ECOPLAST - a biodegradable packaging and a portable chargeable solar water purifier named as SOLARSIP .

There were twenty eight teams from all over the Pune district participating in the event. On the day of the main event the participants were given five minutes to present their unique idea of their product and services, followed by a question answer sessions by the judges. The teams were asked to defend their pitch and product before the judges. Our participants being the youngest amid the junior college participants from other schools, managed to come among the leading teams. The distinguished judges of the competition were all successful and eminent entrepreneurs from across Maharashtra including Dr Santosh Tupe, founder Director of Greenvention Biotech Pvt. Ltd., Ms. Sonal Karve, Co-founder and CEO of FLIP, Mr. Abhishek Kawitkar, Director Tree Public Foundation and also Mr. Neeraj Sharma, Vice chairman Lexicon Group of institutes and Director, Pune

Mirror. The judges appreciated the idea and its uniqueness in terms of its sustainability, scalability and usability. This was in line with the theme of the event which was “A Sustainable Life Style”.

It was an enriching experience for the students as they gained meaningful feedback from the experienced judges and also got an insight of the realities of business. The main purpose of the competition was to inspire our young entrepreneurs to do their best and fine-tune their business ideas.

The competition helped the students hone their ideas, gave valuable feedback from investors and judges, and also gave them an opportunity to connect with the fellow students from different schools.

The students were inspired to explore various interdisciplinary careers in Management and Entrepreneurship. It provided a platform for experiential learning and an opportunity to become zero day professionals.
