CHILDREN'S DAY CELEBRATION

MONDAY ,14<sup>TH</sup> NOVEMBER , 2022

**“Children are a heritage from the LORD, offspring a reward from him.” – Psalms 127:3**

‘ Children’s Day ’ in India is known as ‘Bal Divas’, and is celebrated on November 14<sup>th</sup> every year on the birthday of Pandit Jawaharlal Nehru, the first Prime Minister of India .

Jawaharlal Nehru was very fond of children. He said that children are the foundation of a country’s bright future. So, ‘ Children’s Day ’ is celebrated in India as a tribute to India’s first Prime Minister Pandit Jawaharlal Nehru ,( ‘Chacha Nehru’ ) and his love for children.

The children of the Nursery, Lower Kindergarten and Upper Kindergarten of the Pre- Primary Section celebrated 'Children's Day' on Monday 14<sup>th</sup> of November, 2022 with great enthusiasm in the Lorna Roberts Hall. It was a 'No School Bag' day for the children. The teachers arranged a special assembly dedicated to the children. The celebration began by thanking the almighty with a special prayer by the Junior School Supervisor, Ms. Mayura Barsay, followed by an introduction on ' Chacha Nehru' and his good deeds.

The teachers entertained the children by performing various dances followed by fun-filled acts dressed up as Comic characters. The children were so overwhelmed with the performances that they also took part in the activity wholeheartedly. After the mesmerizing celebration the children were served delicious snacks and soft drinks. The 'Children's Day' event was a memorable one for every child. We thank the school management for their support and encouragement.
