

THE BISHOP'S SCHOOL, CAMP

SECOND SHIFT

REPORT ON CHILDREN'S DAY

CHILDREN'S DAY

Children are a heritage from the Lord, offspring a reward from Him.

-Psalm 127:3

We, at The Bishops's School, Camp celebrate every child and their existence in our life. Children's Day is celebrated in various ways. And in our school it was celebrated with great enthusiasm on the 14th of November, 2022 at The Bishop's school, Camp.

The teachers organised a short program for the students. The program was held in the Lorna Roberts Hall. All the teachers welcomed the students with a big smile on their faces and with great excitement. The celebration began with a word of prayer. After which the Junior section teachers danced on the song Jerusalema. The children were thrilled and danced along too.

The teachers also enacted cartoon characters like Superman, Motu Patlu, Iron man, Spiderman etc. Mrs. Evelyn Lobo, Mrs. Florina Paul and Mrs. Fiona Van Manen made the children laugh their hearts out with their Clown dance. The smiles on the children's faces grew wider as they saw their teachers perform for them and made them feel special.

The children too danced and had a great time in school. The celebration then ended with a vote of thanks by Mrs. Fiona Dinger. Last but not the least the students were given refreshments and they went home with nostalgic memories and a big smile on their faces.

In this way, this special day was celebrated at The Bishop's school, camp with great zeal and enthusiasm.

Ms. Riya Thorat

Assistant Teacher.

Here are some glimpses of the celebration
