

THE BISHOPS'S SCHOOL, CAMP

JUNIOR SECTION

REPORT ON CLASS -4 PICNIC 2023-2024

On 23rd January, the most awaited day of the year we went for a picnic to Diamond Water Park. We embarked on our journey from school with the thrill to enjoy amongst ourselves to the fullest. The picnic was organised by Team Adventure.

The children relished the snacks given to them in the bus and a hot piping breakfast was served as soon as we arrived at the destination. After breakfast, the children were divided into groups and were taken to the activity area. There they thoroughly enjoyed themselves as they took part in the following activities:

Zipline, Swings, Balancing Logs, Rock Climbing, Military Ladder, Crossing the Rope Bridge, Spider web and many more.

Post lunch the children witnessed a magic show and later danced to their hearts content to the rhythmic music. We arrived back at school safely and well in time and take back with us a plethora of memories to cherish for a lifetime.
