

THE BISHOP'S CO-ED SCHOOL, UNDRI

JUNIOR COLLEGE

REPORT ON FOUNDER'S DAY

**"In the echoes of our school's foundation,
we find the melodies of inspiration that continue to guide our journey"**

The 17th Founder's Day was celebrated on 23rd October, 2023 at The Bishop's Co-Ed School, Undri to remember the visionaries who laid the foundation for this esteemed institution. The occasion was honoured by the gracious presence of our Governing Body members, Principal Mr. Julian Luke, Heads of our sister Schools, staff and students. The 'Thanksgiving Service' began with a procession and presentation of flags by the colour party. The blessings of the Almighty were sought through a mellifluous invocation and hymns by the staff and student choir which culminated with the meaningful message by the Presbyter- Rev. Sophia Makasare.

The first Bible Reading was done by the Head Boy of the school followed by prayers recited for the school, the Governing Body, the teachers, the staff, students and parents. We extended our support with contribution of articles from staff and students for the less privileged which is a time-honoured tradition of this institution. The program ended with the School Song followed by the recession of flags as the choir sang the hymn 'Onward Christian Soldiers.'

The theme for the evening celebration was 'Polka Dotted Palooza' where all embraced the charm of polka dots in the auditorium embellished by beautiful décor. Mrs. Melissa Fernandes our Headmistress was felicitated for her illustrious 25 years of service in The Bishop's Education Society. Her years of unwavering dedication has made a positive impact on the rich heritage of this institution. This special day commemorated the legacy of our visionaries which continue to inspire us towards excellence in education, commitment to knowledge, character and community.
