

REPORT ON THE SENIOR SCHOOL CONCERT

The Crooning Crocodile

The Senior School Concert, titled 'The Crooning Crocodile,' was held on September 27, 2023, in the grand setting of Lorna Roberts' Hall, was a remarkable event that left the audience enthralled with its amazing cast, melodious renditions, synchronized dances, beautiful stage decor, luminous LED panel that illuminated the storyline of the play and the fabulously sculpted LED lit crocodiles that added its own charm to the play.

The concert was directed by Miss R. Shaikh, assisted by Mrs. G. Thakur and Mr. C. Fernandez. Mr. R. Shirsat was in charge of the choir, while Mr. T. Anthony and Mrs. R. Oswal were the choreographers for the dance performances.

The heart-warming narrative of "The Crooning Crocodile" followed the life of Ryle (Arham Lunawat), a singing crocodile, and his human friend, Josh (Zaid Baig). This tale of friendship and resilience was presented with great skill and passion, serving as a poignant reminder of how our friends can help us overcome our insecurities and become better individuals.

The concert's captivating storyline revolved around the charismatic magician, Hector P. Valenti (Sahas Pakalapati) who discovered Ryle, the singing baby crocodile, in an exotic

pet store. Hector's dreams of stardom led to a captivating journey, which, when it took an unexpected turn, brought him to Ryle's doorstep, and to young Josh Primm and his family(Ronak Sharma, Jayaditya Singh and Grishab Sundarani) Through various trials and tribulations, "The Crooning Crocodile" showcased the power of friendship and the belief that we can overcome our fears with the support of our loved ones.

One of the standout features of the concert was the choir, led by Mr. R. Shirsat. Their melodic performances and harmonious voices lent an enchanting quality to the entire production. The choir's ability to evoke deep emotions through their singing was truly a testament to their hard work and dedication.

The concert's success can be attributed to the synergy between the talented cast and the dedicated team of teachers who trained the students under the able guidance of our beloved Headmaster Mr. Christopher Gaynor. The play beautifully conveyed the central theme of friendship, illustrating how it can help individuals overcome challenges, fears, and insecurities, ultimately making us better human beings.
