**If you are a true warrior competition doesn't scare you. It makes you better- Andrew Whitworth**

The Inter House Junior school quiz competition for classes 1 and 2 was held on the 9th of November 2022, in the B4 auditorium.

Ms. Gloria Barnabas welcomed our Junior school supervisor Mrs. Melissa Fernandes, Coordinators, staff members and students. Our Supervisor was then requested to lead us in a word of prayer, following which our main and standby participants of each team were introduced. The various rounds and their rules were explained.

Topics like logical reasoning, science, social media, current affairs, music and sports were part of the various rounds. To ensure the use of all five sense organs, one of the rounds involved the students to smell and guess the spice. Excellent use of audio- visual aids was done by the computer teachers.

The audience and the standbys were also given a chance to answer the questions in between the rounds. The quiz was a highly competitive event. Participants from the four houses engaged in a fiery battle, trying their best to bag as many valuable points as possible.

The house wise positions and scores were as follows:

POSITION	HOUSE	SCORE
FIRST	YOUNG	260
SECOND	WINTLE	240
THIRD	RAE	210
FOURTH	O'CONNOR	190

The vote of thanks was proposed by Mrs P. Ganesan.

Overall, the event was enjoyed and appreciated by everyone.
