

Mid term Report : Beginner Level Photography

Photography is more about the vision and the creativity behind the camera. It is not to shoot what it looks like but to shoot what it feels like.

The Bishop's Co-Ed School, Undri Photography Club runs with the aim of fostering creativity, enhancing technical skills, and promoting artistic expression among the students of our school. Since its inception, the club has become a hub for young photographers to explore the world through their lenses and share their passion for photography with like-minded individuals.

Faculty:

Mrugank Kher is a Fashion and Advertising photographer working in the field of photography for the past 8 years. He has actively conducted workshops across schools and colleges in Pune. Apart from assisting Sameer in his major shoots, Mrugank has also catered to clientele like Westin Pune, Hyatt Regency, Pune, Fratelli wines, SS Nagarkar Jewellers, Hind Creations and Minissha Lamba to name a few.

Syllabus covered till date:

- Photography Composition
- Rule of Thirds
- Diagonal Rule
- Backgrounds
- Strong centre of Interest
- Perspective
- Leading in Lines
- Straight on Shots

Objectives

- Know your camera well and what it can do.
- Understanding and practising assignments to explore settings like white balance ISO etc
- Create some drama in photos by using different light settings
- Making use of the flash – When and Where
- Understanding what should be the composition of a picture and framing
- How to create the 'WOW' effect! for your picture.
- The students will also get an opportunity to interact with Sameer Belvalkar himself and share their experience and ideas towards the end of the session.
- Students should be able to cover School events at the utmost professional looking photos.

This Photography Club is playing a vital role in nurturing the artistic and technical talents of our students. It is providing a platform for them to explore their creativity, learn valuable skills, and form lasting friendships with fellow photographers. The club's activities contribute to a vibrant and culturally enriched school community.

Report by:
Mrs. Dipti Sharma

Explanation of the technicality to capture pictures.

Hand on experience in the field.
