Ample practice sessions helped the children

with the different rounds they would face.

There were seven rounds consisting of different categories – Spell the Word, Memorize and Spell, Fun with Words, Double Trouble, Under the Sea, Pyramid Puzzle and the Rapid Fire. The spell bee proved to be a resounding success and helped students to exhibit their skills and knowledge of language. Each round tested the students in various aspects and allowed them to express their creativity and enthusiasm which showcased their immense talent and effort. This made the competition a grand success. The event was conducted by the spell bee masters Mrs. N. Sayed , Mr. S. Roberts and Mrs. S. Massih who were commended by the Headmistress for their dedicated efforts.
