

REPORT- DANDIYA FEST - SECOND SHIFT

“A nation’s culture resides in the hearts and in the soul of it’s people.”

On the festive occasion of Dassehra, the school had organised a dandiya fest for the students of UKG to class 3. The students came dressed in colourful and traditional Indian attires. The children were escorted to the field where they did garba and played dandiya with each other. They were thrilled to listen to various folk songs and danced on them with great enthusiasm.

The students of SKLN enjoyed a day that gave them a feeling of togetherness and celebration.
