

## REPORT ON CLASSES VI TO VIII PICNIC TO 'MAGIC MOUNTAIN'

*"Magic Mountain, where laughter echoes and memories are etched in the thrill of the moment."*

Picnics offer a delightful respite, breaking the monotony of everyday life and infusing a touch of variety into one's daily routine. Recognizing the importance of this essential aspect, The Bishop's School, Camp organized a picturesque picnic on February 1, 2024, for students from classes VI to VIII at Magic Mountain, India's Largest International amusement park nestled among the lush green hills of Lonavala.

Magic Mountain has 31 international rides catering to kids, families, and friends, providing a diverse range of adrenaline-pumping experiences for its visitors. From Z-

Force and Turbo Force to Giant Frisbee and Sky Screamer, each ride promises thrill and excitement, making Magic Mountain the ideal choice for a perfect picnic spot, offering a temporary escape from the hustle and bustle of daily life.

The day commenced as students reported to school at 7:30 a.m., forming a lively gathering at the quadrangle for attendance. Subsequently, students, accompanied by their teachers, moved towards boarding their buses, heralding the beginning of a journey filled with laughter, excitement, joy, and thrill.

Each bus was accompanied by a dedicated volunteer from Team Adventure. As the buses departed the parking lot, students and teachers were treated to snack boxes graciously provided by the volunteers. While en route, students, in high spirits, sang and danced to songs of their choice, and upon reaching Magic Mountain, their faces lit up with joy and anticipation. Eagerly awaiting the moment to disembark, every child was thrilled to enter the amusement park without delay.

Upon entering Magic Mountain, students eagerly explored various rides, guided by Team Adventure volunteers who ensured their safety and enjoyment. Teachers, too, revelled in the experience, joining in the laughter and screams of joy as they conquered fears and embraced the adrenaline rush on rides like Delta Hoopla, Space Trainer, Super Splash, and many more.

A sumptuous lunch awaited students at the Zen Forest banquet area around 1:00 p.m., featuring a delectable array of Indian and Chinese delicacies. Students relished their meals, and post-lunch, filled with zeal and enthusiasm, they rushed to experience rides they had yet to enjoy.

As the sun began to set, students and teachers gathered to proceed towards their buses. Animated conversations among the children reflected the excitement of the day's activities. Undoubtedly, the picnic was a colossal success, weaving together moments of laughter, joy, fun, thrill, camaraderie, and excitement, leaving an indelible impression on every heart and mind.

The day concluded as students and teachers boarded their respective buses around 4:00 p.m., returning to the school campus by 7:15 p.m. The Jeejeebhoy ground witnessed the dispersal of students, where parents eagerly awaited to pick them up. Every student and teacher undoubtedly created memories destined to last a lifetime.
