

JUNIOR SCHOOL ANNUAL SPORTS DAY

‘Continuous effort -not strength or intelligence -is the key to unlocking our potential.’

The Junior School Annual Sports Day is one of the much anticipated and awaited day of the year. Sports day is not just an event, it is a celebration of determination, teamwork and unbeatable spirit of young athletes. Especially at the Primary level, it is not about competition, it is about having fun, being physically active and learning the basics of sports.

The Bishop's Co-Ed School Kalyani Nagar conducted the Junior School Annual Sports Day on the 8th of December 2023. The event was graced by the presence of our governing body member Wg. Cdr. Wilson, Guest of Honour, Mrs. Pamela Pillay and special invitee, Mrs. O'Connor.

“Believe you can and you are halfway there.”

With this thought in mind we began our day with a drill presented by the Nursery students 'The Cheer Warriors' synchronising their steps to the foot tapping music that captured our viewers' attention. Out of the box thinking from our teachers helped showcase some amazingly performed novelty races from classes Nursery to Class 2. To name a few we had, Olympic Avengers, The Bambinos at the Olympics, Athletes in Action, The Golden Ticket Gallop and The Mystic Guardians.

The students of classes 3,4 and 5 enthusiastically competed in the Inter Class flat race and baton relay.

Parents are the ultimate role model for children. No other person has a greater influence on a child than the parent.

We encouraged our parents to exhibit their sportsmanship and they willingly participated in a race especially organised for them.

We had a similar response from our efficient team of Support Staff for their race, in which they participated with a lot of enthusiasm and joy.

At end of the day, the students and parents left with a smile on their face. It was a day filled with, enthusiasm and memories to cherish.
