### **Bonding over laughter and unforgettable experiences on our school adventure**

The most awaited day of the year was the school picnic to **Aryan Eco World and Adventure Park - Pune - Satara Road** in collaboration with the team from **Adventure Plus** on **Wednesday, 31<sup>st</sup> January 2024**.

We started at 8.00 am in the morning with prayer and a feeling of a great day ahead. The students were all set to have a fantastic day out with their friends and teachers. They were very excited and kept singing songs in the bus and eating snacks till they reached the venue.

The children were amazed to see the macaws, Mickey and Minnie waiting to welcome them. They shook hands and also clicked a picture with them. The children freshened up and kept their belongings in the rooms provided for them. A delicious breakfast was followed by a tour of the Eco World. The students were divided into smaller groups as there were many activities planned for them. They enjoyed the tractor ride and the magic show. There also was a tattoo artist who made tattoos on their hands. The children were taken for a walk to admire the exotic birds like the various coloured macaws, iguanas, ducks, fishes, horses, and camels. After the fun packed morning we all headed for lunch where we relished pav bhaji, Hakka noodles, dal rice and some hot Gulab Jamuns. After they had their lunch, the children were excited and shook their legs to the dance numbers which were played.

Aryan Eco World extended the opportunity to our boys to the beauty of nature. We reached school by 5.00pm. Indeed, it was a great day for the students and teachers. It was a sound and safe trip. All the students left with a feeling of joy and excitement.
