

ACHIEVEMENTS OF TODAY ARE THE STEPPING STONES FOR THE FUTURE!

A REPORT ON THE ACHIEVEMENTS OF KAYRA BURAD (UKG)

Skating works nearly every muscle group in the body, and gliding requires synchronized movement of the legs, which is important for joint flexibility. It also builds up the leg and abdominal muscles. Like any workout, skating is great for cardiovascular health.

Keeping in line with this let me introduce our champion skater Kayra Burad who has an exhaustive list of achievements at a tender age of 5. The following is the detailed achievement list of this young skater:

To conclude I would like to state that to an achiever success only comes by persevering despite failure. We are so certain that our young achiever has many more of such accolades coming her way. We wish you all the luck and pray that you achieve everything that you work towards.

I would like to end with a quote by Jim Rohn:

"If you are not willing to risk the usual, you will have to settle for the ordinary."
