Our school organized class picnics to Diamond Adventure Park for the academic year 2023 – 2024 for UKG and classes 1 to 5. It was a joyous affair filled with happiness.

The children were engaged in a lot of fun activities like the Zip Liner, Balancing Bars, Trampoline, Magic Show and many more which fostered friendship and created unforgettable memories.

The children also savoured the delicious breakfast and lunch served to them by the organisers. The snack boxes at short intervals brought a twinkle to their eyes as they relished it.

Everyone had a big smile on their face indicating they had great fun. It was a day which the children will definitely treasure for a long time.
