**"Watch us Perform and Be Amazed."**

Bagless day in school not only provides a platform to encourage students to participate in extra-curricular activities, but also is an attempt to provide a different module of learning for better performance.

The Bishop's Co-Ed School, Undri, conducted a Bagless day activity for the students of Classes VI, VII and VIII on 10<sup>th</sup> February, 2024 on 'Skit and Acting Skills' in the form of short skits and plays in English and Hindi. The students of classes VI, VII and VIII enthusiastically participated in this activity in their respective classes.

The students have been preparing for their skit for the last ten days. The script of the skit – the plot, characters and dialogues were written by the students with the help of their teachers. Practice sessions were conducted in the activity period, where the students ensured fluency in delivering the lines naturally with appropriate emotion. Props and power point presentations were prepared by the students to enhance their performance.

The day began with a word of prayer by our Middle School Co-ordinator, Mrs. Khandelwal. The talented actors brought charisma and authenticity to their roles to elevate their skit performance and make it more engaging. Thoughtful use of props, costumes and power point presentations enhanced the skit's atmosphere and left the audience entertained and satisfied.

The skits were based on a wide range of topics and themes including everyday situations, social issues, fables, educational messages, personal stories etc. The

skits were titled- 'Say no to Corruption', 'Cleanliness Chronicles', 'Cyber Bullying', 'Wings of Unity', 'The Reality of an Interview', 'Dignity of Labour', 'Education a Necessity', 'Stranger Danger', 'Importance of Financial Literacy', 'The Little Shepherds', 'Nothing but Facts', 'Say No to Violence', 'Sachchaai Ki Jeet Hoti Hai'- Hindi, - 'Swacchata'- Hindi, 'Mukti', 'Dosti', 'Addiction to Mobile Phones and Technology'- Hindi to name a few.

The performance in these short skits enhanced the students' communication skills, fostered team work and cooperation among the participants. Writing, directing and acting in these skits encourages imaginative thinking, problem solving allowing the students to explore different perspectives and ideas. Getting an opportunity to perform in front of an audience boosts self-confidence and public speaking skills.

This Bagless day at school has proven to be a valuable initiative that provided entertainment for both the participant and the audience, offering a fun and enjoyable way to engage with others and express creativity. Overall, taking part in a skit can be a rewarding experience that enhances personal development and promotes teamwork. It is recommended that such activities continue to be an integral part of our school's annual calendar to further enrich students' educational experience.
