

FOUNDER'S DAY CELEBRATION

"Humility is the solid foundation of all virtues"

On 12th November 2022, The Bishop's Co-Ed School, Undri celebrated its 16th Founder's Day in the gracious presence of the Governing Body members, our Principal – Mr. Julian Luke, School Heads, Staff and students.

The thanksgiving service began with a procession and presentation of flags by the colour party. On this occasion we traversed the journey of this esteemed institution with the vision of the founder members, their dedication which has added value to the school. The blessings of the Almighty were sought through a mellifluous invocation and hymns by the Staff and student choir which culminated with the meaningful message by the Governing body member Pastor Earl Smoky James.

The first Bible Reading was done by the Head Boy of the school, followed by prayers recited for the school, the Governing Body, the teachers, the staff, students, parents, academics, and other areas related to the school. The program ended with the School Song followed by the recession of flags as the choir sang the hymn 'Onward Christian Soldiers'.

An exhibition Basketball and Cricket match was held between teachers and students as well as ex-students after the service which was cheered by all.

The theme for this year's celebration was "Shimmer and Glamour" that commenced in the evening with an entertaining fashion show, interesting games followed by melodious music and sumptuous dinner. A day dedicated to express our gratitude to the founders for creating such a wonderful institution under the canopy of joy, elation and blessings.

Teacher In Charge:

Mrs. Amrita Das
