

**THE BISHOP'S CO-ED SCHOOL, UNDRI**  
**CLASSES I & II**  
**REPORT ON CLASS PICNIC**  
**(FIRST AND SECOND SESSION)**

**"A day of joy and adventure."**

The Bishop's Co-Ed School, Undri organised the much-anticipated picnic for classes I and II on the 17<sup>th</sup> and 18<sup>th</sup> of January 2024 respectively to Chonde Farms. The chosen destination was a scenic spot that promised a perfect blend of nature and recreational activities. The day began with an air of excitement at 7:45 a.m. as the students gathered in the school premises, brimming with enthusiasm for the day ahead. The total number of students enrolled on Class I were 371 and Class II was 374.

After attendance, the students were led down by the class and subject teachers to the stilt area where our Headmistress -Mrs. Melissa Fernandes led us in a word of prayer. The students, along with the teachers and volunteers of Experiential Learning Enterprise boarded the buses and set off to **Chonde Farms**. The bus journey was filled with laughter, chit-chat and the occasional burst of melodious songs and dance. The students were served light snacks like burgers and muffins.

Upon reaching the students were given a wholesome breakfast needed for the eventful day planned. The students were then separated into different groups and led by different volunteers for various activities. The volunteers ensured the safety of the students during the various activities and patiently ensured that each student participated in all the activities. The students enjoyed the activities such as bullock cart ride, tractor ride, bouncy jumping, low rope course activity, DJ dance, and a visit to the village statue room showing various professions and tattoos painted on their arms. Following these exhilarating activities, students enjoyed a delicious lunch with a variety of food items like pav-bhaji, veg noodles, fried rice and gulab jamun followed by the magic show that left the students in awe, pondering the secrets behind the mesmerising tricks.

The class picnic not only provided a break from routine but also served as an excellent platform for students to strengthen bonds with their teachers and friends. The students enjoyed themselves to their hearts' content. After a day of excitement, they were lined up according to their groups. The volunteers provided the students with small refreshments like chips and frooti for the bus journey back to school. The students were surprised to receive gifts arranged for them.

Gratitude filled everyone's heart as the school picnic was an unparalleled success and an unforgettable memory in the minds of the students and teachers as we boarded the buses, carrying with us the joyous moments of a day well spent.

**"Amidst the textbooks and notebooks, school picnics are chapters of joy, where the curriculum of life is written in the language of shared experiences."**

**To God Be The Glory.**
