The day commenced with the administrative task of registering all the enthusiastic participants done by Ms. J Londhay, Mrs. N. Bhalerao, Ms. C. Gotting, and Mrs. D. Kutpelhi, while other patrol teachers ensured discipline was maintained at all times.

The children were brimming with excitement for the adventures ahead. As the morning sun rises, signaling the start of a new day, we gathered for the solemnity and pride of the flag ceremony conducted by Mr. S. Gutte. Here, amidst fluttering flags and solemn pledges, the values of unity and discipline were instilled, setting the tone for the day's endeavours .

Fuelled by a hearty breakfast, essential for the energy needed to embark on an adventurous day; we plunged into our first session. This segment conducted by the senior scouts and guides focused on imparting crucial knowledge on handling medical emergencies, ensuring that every participant is equipped with the skills to respond effectively in times of need. Patrol teachers engaged the children in hands-on activities like crafting stretchers and bamboo shoe racks, alongside learning survival skills, empowering the scouts and guides with practical confidence.

Team-building games like the classic hula hoop challenge monitored by patrol teachers served as dynamic platform for fostering communication and collaboration. Laughter filled the air as participants engaged in friendly competition, singing songs, and bonding over shared experiences, strengthening the bonds of friendship and camaraderie.

After a morning filled with excitement and learning, it was time to refuel with a delicious lunch. Following this, participants immersed themselves in the creative and traditional art of diya painting guided by Mr. S. Salunkhe, Mrs. A. Pawar, Mrs. S. Salvi, Mrs. A. Benjamin, infusing clay lamps with vibrant hues and intricate designs, a celebration of cultural heritage and artistic expression.

As the day progressed, extracurricular activities catered to diverse interests, from the thrill of rope climbing to the adrenaline-pumping action on the

football field and basketball court guided by Mr. C. Morant, Mr. Thorat and Mr. M. Dubal. Each moment is a testament to the participants' resilience, determination, and passion for adventure.

As the sun sets, evening snacks like samosas and mango juice provided a welcome respite, fueling the energy for the final festivities. The air was filled with joy, dance and camaraderie as participants came together to celebrate their achievements and bonds forged the day.

Finally, the moment to honor excellence and dedication arrived, as the best guide and best scout are selected and bestowed with well-deserved awards. It's a testament to their hard work, leadership, and commitment to the values of scouting and guiding.

A special thanks extends to our esteemed Principal, Mr. J. Luke, our Headmaster, Mr. R. Russell, and our Headmistress, Mrs. M. Fernandes, for their unwavering support and encouragement in organizing this memorable Scout and Guide Day Camp. Their guidance and dedication have been instrumental in fostering a culture of exploration, learning among our students. We are truly grateful for their belief in the importance of such experiences in shaping young minds and hearts.

This day camp for the Scouts and Guides wasn't just about the activities; it was about fostering friendships, skills honed, and memories created. It marked as a journey of growth and discovery, guiding young hearts towards a brighter and more promising future.
