

THE BISHOP'S CO-ED SCHOOL, UNDRI
MIDDLE AND SENIOR SCHOOL ANNUAL CONCERT REPORT
2022-2023

'If you can dream it, you can do it.' the legendary statement by Walt Disney resounded in the auditorium as it reached the heavens on the 24th of September, 2022. The Middle and the Senior School of The Bishop's Co-Ed School, Undri performed their annual concert putting forth the famous Broadway play entitled Disney Dreams - An Enchanted Classic. Indeed, it did prove to be a dream come true for all involved and an inspiration for all who witnessed.

The genesis of the play was intrigued by the perfect selection of a theme to portray for the audience, especially during this post pandemic era, where our students sought the support and motivation to acclimatize themselves to the much-awaited offline mode of education. What better place than here, what better time than now. After a plethora of thought on the perfect recipe of a play and understating many more Broadway plays, we decided to go for Disney Dreams - An Enchanted Classic. Then came the cast selection. Another humongous task as at Bishop's Undri talent flows like the waves hitting a beach. Having quoting that statement, the casting Directors made it a point to allot a role for all who came for the required auditions.

The practice sessions were far from easy. The weather Gods also played foul as they not only drenched the earth but also our moods and fancies. But our students overcame these hurdles. They took criticism as the first rays of sunlight after a flood and dried down all negative vibrations and notions and outperformed during the practices. Hence, we had the main characters, the dancers and the choir who worked together in unison especially as the days for the play drew nearer. You would agree that we were a big unit working for the glory of God and country.

The last week before the big day was marked with tedious practice sessions and coordinating feedbacks. Countless retakes and motivating ideas took over the stage. The students were now prepared to take this giant leap of faith after a gap of two years. Once the Rehearsal Day arrived the students outperformed themselves and indeed exceeded all expectations by giving a performance of a lifetime. Words would be unmatched to explain the splendid performance that the students displayed on the main day of the concert. The teachers too put in all efforts and pains for the glory of God and the school giving the audience a flabbergasting experience. Our Principal and Headmaster deserve many thanks as they supported the concert with motivating words and a sense of zeal and left no stone unturned to achieve perfection for each step taken by the students and the teachers. Peter

Pan, one of our main characters, was quite right when he said 'you can achieve whatever you desire, all you need is some faith, trust and pixie-dust'.
