KEEP GROWING YOUR WINGS AND NEVER STOP DREAMING!

REPORT ON THE ACHIEVEMENTS OF TANISHA CHOPDA

'Don't let the fear of falling keep you from flying', and Tanisha Chopda of Class X D has done just the same. The young rhythmic gymnast, also a National Ballerina, has participated in various International Competitions. Tanisha has been trained under international coaches in Dubai and Tashkent.

Due to the pandemic, Tanisha could not participate in any competitions for two years. But this did not dampen her spirits. She has once again begun participating in various competitions like Khelo India trials, the Asian Championship Selection Trials-Jammu, CISCE State Championship – Mumbai to name a few. The latest being the 32nd Rhythmic Gymnastics Championship held on 8th and 9th December, 2022 in Mumbai. In spite of an ankle injury, Tanisha participated and won the gold medal in this group event. She has made her school proud too by participating in the Alfresco Megafest held in Prayagraj. She took part in events like Happy Feet, En Vogue and Razmataaz, evidently helping in winning the first position in all the three group events.

Tanisha is indeed a multi-talented child as she has completed 12 levels of Abacus. In the future, she aspires to continue in the field of Gymnastics, wherein, she wants to gain expertise in the Russian Ballet. Tanisha also envisions herself to be associated with the FIG i.e. The Federation of International Gymnastics. She also wishes to join the Indian Air Force. Her name has also featured in the Young Achievers' Book of Records. Next month Tanisha has a few events lined up which are the 1st Kohinoor Cup - an Indian Rhythmic Gymnastics International Competition, Hyderabad, Telangana, January 2023 and has been selected to participate in the MOA (Maharashtra Olympic Association), Balewadi Pune on 10th January 2023.

Tanisha and her parents are indebted to the school and its Heads for supporting and encouraging her. They can't imagine Tanisha's success without the motivation and constant support rendered by the school.

Life is full of opportunities; we wish you the very best for all the new ventures, that life has in store for you.
