

# THE BISHOPS SCHOOL, CAMP

## PRE-PRIMARY SECTION

### REPORT ON ROAD SAFETY WEEK ACTIVITY

The National Road Safety Week is celebrated every year from 11<sup>th</sup> to 17<sup>th</sup> of January. The theme for 2023 is “**Sadak Suraksha Jeevan Raksha**”. The national campaign was on various safety measures that people should take complying with the government’s safety regulations and as a result keep themselves and their loved ones safe.

The road safety week activity for the Pre- Primary Section was organized on the 13<sup>th</sup> of January 2023 to create awareness amongst the children about simple traffic rules that need to be followed in our day-to-day life. The teachers enacted and demonstrated before the children certain Traffic Do’s and Don’ts. The teachers also explained to the children the importance of crossing the road only at the Zebra crossing.

Children were also told about the significance of the colours at the Traffic signal: “Red light to stop”, “Yellow to be ready”, and “Green light to go”. Road safety rules help the pedestrian’s, bikers and other drivers from getting injured. A PowerPoint Presentation was shown to the children to emphasize the importance of road safety signs. The children enthusiastically participated in the quiz on the same and answered confidently. The school guard Mr. Mahesh was also roped in to do a small demonstration. The children were once again instructed not to play on the road and to follow the traffic sign boards on the roads.

The children enjoyed reciting the poem “TRAFFIC LIGHTS”.
