INTER CLASS ENGLISH ELOCUTION  
COMPETITION  
1<sup>st</sup> and 2<sup>nd</sup> Shift

Poetry is an imaginative awareness of experience expressed through meaning, sound and rhythmic language choices so as to evoke an emotional response. Poetry is the chiseled marble of language: It's a paint-spattered canvas- but the poet uses words instead of paint and the canvas is you.

The Inter Class English Elocution Competition for the Pre-Primary Section was organised on the 24<sup>th</sup> of January ,2023 in the Lorna Roberts Hall. The two judges who were present with us were Mrs. Anita D'Souza and Mrs Swati Rananaware. The program began with a word of prayer by our Supervisor Ms. Mayura Barsay. The children were very happy and excited to participate in the Elocution Competition. Events like these encourage children to enhance their English speaking skills, in terms of pronunciation, delivery and voice modulation. The children of the Upper Kindergarten and the Lower Kindergarten participated in this competition. We also had individual participants from the Upper Kindergarten.

The children performed exceptionally well. The competition gave a lot of encouragement and confidence to all the children present. When the competition ended the judges were asked to say a few words and share their valuable thoughts with us. The children were congratulated for their superlative performance and then the results were announced.

The Group Elocution was won by Upper Kindergarten - B

The Group Elocution was won by Lower Kindergarten -D

The classes that won the Elocution were given a packet of sweets. The children definitely had a great time and learnt from it too. The programme ended with the vote of thanks which was delivered by the Pre-Primary Coordinator Mrs. Shama Tinwala.
