"Individual honours come with team success." – Gilbert Arenas

(Annual Prize Day for the Junior School)

The Annual Prize Day for the Junior School (Nursery to Class 5) for the morning and afternoon sessions was held on the 28th July 2023 at 9:30 am in the B4 Auditorium. The comperes, Mrs. R. Diddee, Mrs. N Lehy and Mrs. R. Ghadge welcomed the Chief Guest Mrs. Susan Doulton, the school head of Canterbury Pre-Primary School, who had consented to give away the prizes. Among the invited guests and dignitaries in attendance were our Governing Body members and the Heads of our sister schools. The chief guest was introduced by Ms. G. Barnabas.

As customary at The Bishop's Co-Ed School, Undri, we commenced the programme by seeking God's blessing with an opening prayer which was led by our Governing Body Member, Pastor Smokey James followed by a motivational speech by our respected principal, Mr. Julian Luke. An annual report for the academic year 2022-2023 was presented by our Headmistress, Mrs. Melissa Fernandes, highlighting the events, activities, new initiatives, achievements of our prominent students in varied fields and future projects.

Our budding singers of the Junior Section rendered a melodious song "My Own Superhero".

We soon progressed to the most awaited part of this event - 'Acknowledging our academic achievers'. This was executed through the distribution of trophies, prizes and certificates to the students for their excellence in academics, co-curricular activities and sports. The special prize winners who emerged as outstanding achievers in the field of music, acting and sports were awarded with trophies and cups. The Cock House trophy was

announced for the very first time in the Junior School. Young House, who had performed exceptionally well in the fields of Elocution and various other events were declared winners of this prestigious trophy.

Mrs. S. Doulton then shared her experience and thanked the Heads of the school for inviting her to witness our Junior Prize day. The vote of thanks was proposed by Mrs. J. Bergeon thanking all who were instrumental in the success of this event.

Art is nothing but humanized science

Our esteemed Heads welcoming our chief guest Mrs. S. Doulton

Grades don't measure intelligence and age doesn't maturity.

Look at what you have won!

That's real glory, the essence of winning

We love to hear the choir - Shining stars of the Junior school

Winners never quit and quitters never win!
