

The Bishop's Co-Ed School, Undri

Report on Bagless day activity for classes VI, VII & VIII

No Bag, No Worry, More Time to Play, Life is Happy Every Day!

The bagless day in school not only provides a platform to encourage students to participate in extra-curricular activities but also, is an attempt to provide a different module of learning for better performance. The National Education Policy (NEP) mandates the participation of students in bagless days to learn through crafts and enrichment activities.

The Bishop's Co-Ed School, Undri conducted the first Bagless day activity for classes VI, VII & VIII for the academic year 2023-24 on Saturday, 8th July 2023.

Bagless day activities:

- ❖ Poster Making (Theme – Swachha Bharat / Clean India)
- ❖ Paper Bag Making

“You cannot change your future, but you can change your habits, and surely your habits will change your future” – Dr. Abdul Kalam.

Environmental ethics believe in ethical relationship between human beings and natural environment. The aim of poster making was to sensitize the students about the need of protecting our mother Earth by maintain cleanliness. The students made beautiful and creative posters to showcase their talent not only to protect the environment but also to achieve the goals of sustainability. The students not only enjoyed the activity that gave them opportunity for their creative expression but also motivated them to take the pledge to work towards progressing sustainable future.

The second activity conducted was paper bag making. Paper bags were made with old newspapers. This craft activity was not only fun for the learners, but they were also excited to take their bags home and use it in their day-to-day lives. Through this activity students learnt to spread awareness on the importance of Three R's (Reduce – Recycle – Reuse).

Additional special activity (Only for class VIII students):

The students of class VIII have distributed paper bags to vendors / shopkeepers. The message of reduction of plastic waste and the preservation of our planet for the future generation was conveyed by distributing paper bags.

Overall, the activity was helpful and informative for the students.

Report by:

Mrs. Ritu Tandon

Save Earth, save a life, save us all.

Keep Our Earth green and clean.

Love the Earth and be happy,

Think green...

Use paper bags...

Cleanliness is a sign of development.

Say no to plastic bags.

Cleanliness is Indeed next to Godliness.

Stride for a cleaner and greener nation.

Make Earth greener.

Choose paper bags and save Earth.
