REPORT ON DIVYANSH BHUTADA

'PUNE MEMORY CHAMPIONSHIP- Battle of the brains'

"ACHIEVEMENTS OF TODAY ARE THE STEPPINGSTONES FOR THE FUTURE ONES."

Brain Universe in collaboration with par kids had organised "The First Ever Brain and Memory Championship" for Pune's Smart Kid on the 2nd of October 2022. Principals from various schools such as Hutchings School, Sanskriti School & Dhole Patil School were invited as guests to acknowledge the talents of the students participating in the competition.

World Memory Championship is a well-known and organized event in Pune. The competition tests the willpower of an individual, specifically through mental and memory sports. We are proud to mention that a student from The Bishop's Co-Ed School, Undri, Divyansh Bhutada studying in class III E had also enrolled himself for this competition and stood third amongst 27 students in his category. He was awarded a trophy by RJ Tarun. His hard work and zeal towards the competition has not only made his parents proud but also has added another feather to our cap.

In the Pune Memory Championship, young children demonstrate their intellectual power and set new heights of what the human memory can truly achieve.

This Championship lays a strong foundation and prepares children for National and International Memory Championships.

Divyansh will also be participating in The National Memory Championships.

Report by -: Mr. Clifford Austin Morant

"HARD WORK IS THE FORMULA FOR SUCCESS."
