

THE BISHOP'S CO-ED SCHOOL, UNDRI

ANOTHER ACHIEVEMENT FOR TANISHQ DUGAD!!

MAHARASHTRA OLYMPIC GAMES JANUARY 2023 (SKATING)

"Don't practise until you get it right, practise until you can't get it wrong."- Alex Morgan

Tanishq Dugad of Class X G is an International level Inline Freestyle Skater. He participated in the recently held Maharashtra State Olympic Games 2023. The Maharashtra State Olympic Games were held earlier this month. These games include events from 41 different disciplines. The games were spread across various districts in Maharashtra, Pune being one of them. Tanishq participated in the same and won a silver medal in the Inline Freestyle Skating category. The victory was not an easy one for him as the competition was tough. Indeed, his sincere efforts did bear fruit.

After his ICSE examinations, Tanishq is looking forward to participate in the Under-19 Paris World Cup. He has won laurels in the same event last year too and was ranked 11th internationally. In the near future, he will be participating in the World Skating Games. Closer home, he has bagged one silver and two bronze medals in the National Skating Championship held in Bengaluru last month. For all his achievements, he is indebted to his coach and parents. He is also grateful to the school authorities and his classmates for helping him stay updated with the syllabus and motivating him to excel. Tanishq, who is also the Vice Captain of the Wintle House in the school, aspires to be the first skater to win a gold medal for the country.

Tanishq has proven himself to be a very skilled individual who has the capacity to do great things in life. We at the Bishop's School, Undri hope and pray that you continue to make us proud as you face new challenges and adventures.
