2022 - 2023

The Annual Junior School Sports meet for the year 2022 - 23 was held on 05th December at the Jee Jeebhoy ground.

Sports play a crucial part of a student's growth and development both mental and physical. It helps them gain skills, a positive attitude, and the confidence to face the many challenges life throws at them. It also provides them with a much-needed break from their rigorous academic schedule.

Sports Day is undoubtedly the most eagerly awaited event on the school calendar. The morning of 5th December was bright and beautiful. The air was filled with excitement. The eagerness of our students to showcase their abundant talent was evident.

The Chief Guest was Dr (Ms) Gillian Rosemary Hart (Provost and CEO Welland Gouldsmith Schools Kolkata). We were privileged to have with us the Alumni of the batch 1997 as the Guests of Honour. Also present were the Members of the Governing Body and Heads from our sister schools.

This year we had a new addition to the Bishop's Family, the Second Shift children. It was their first Sporting Event and they participated with great enthusiasm.

The day's events began with the Opening March Past by the students of classes 4 and 5. Dressed in their house colours they marched smartly and in synchronization. The synchronized swing of the arms and the sound of thudding feet to the

rhythmic beats held the audience spellbound. The audience broke into thunderous and continuous applause as each squad marched past led by their respective House Captains.

After the traditional Oath Taking Ceremony, the Sports Meet was declared open by our esteemed Chief Guest Dr (Ms) Gillian Rosemary Hart.
