### A REPORT ON DOCTOR'S DAY CELEBRATION

*“A GOOD DOCTOR knows your needs, and handles them with compassion and skill.”*

*National Doctor's Day is celebrated every year on the 1<sup>st</sup> of July. It is a day to appreciate and recognize the contribution and hard work of the*

*medical fraternity throughout the world. The idea of this was conceived by Dr. Bidhan Chandra Roy, who was not only a doctor by profession but also the second chief minister of the state of West Bengal.*

*The Bishop's School, Camp - Second Shift celebrated National Doctor's Day on the 3<sup>rd</sup> of July 2022, with great enthusiasm. A Dental Awareness Camp was held in the school. We were extremely privileged to have amongst us Dr. Tarvin Kaur, a renowned dentist, running her own dental practice 'New Age Dental Care' in the city of Pune for the last 18 years.*

*Dr. Tarvin enlightened the children on how to take care of their teeth and shared some valuable information and tips on dental care. The children listened with great interest and also came up with a lot of queries which were patiently answered by the doctor.*

*Dr. Tarvin was then presented with a token of appreciation and the programme ended with a Vote of Thanks proposed by Junior School Coordinator, Mrs. Fiona Dinger. We thank our Principal, Mr. Joel Edwin and Supervisor of the Junior School, Miss Mayura Barsay for their unending encouragement and support towards all the events held in the school.*

*After the camp the children were then engaged in an activity in their respective classes, wherein they were taught to prepare Doctor's Day Headbands by their teachers. They thoroughly enjoyed the activity and went home wearing the headbands and with big smiles on their faces.*

*It is very important that we celebrate this day in order to instill in our little ones the need to be grateful and thankful to all medical professionals who serve tirelessly to save lives. Their contribution to society must be appreciated.*
