

CLASS 10 & 12 FAREWELL

The farewell dinner for classes 10 and 12 held on 1st February was truly a memorable event for the students. The theme of the evening “School is a wall with Tomorrow inside” was quite apt as every outgoing student of class 10 and 12, walked in the school gates with confidence and maturity that the school has instilled in them, ready to take on the world. These children are the future of this country.

The event began with the Principal Mr. Shayne McPherson welcoming our guests, followed by the Headmistress Mrs. Dunn, leading the gathering in a word of prayer. The color party comprising the Prefect Body presented the flags to the Principal. Class 10 students were then presented with their mementos.

Farewell is not only an emotional moment for the students but also their Parents, who are an integral part of our school. The parents of two of our students Mrs. Irani and Mr. Jha took this opportunity to thank the school highlighting the journey of their children from kindergarten to confident young men and women ready to step out of the school environment and face the real world. The student choir sang a beautiful song, The Prayer.

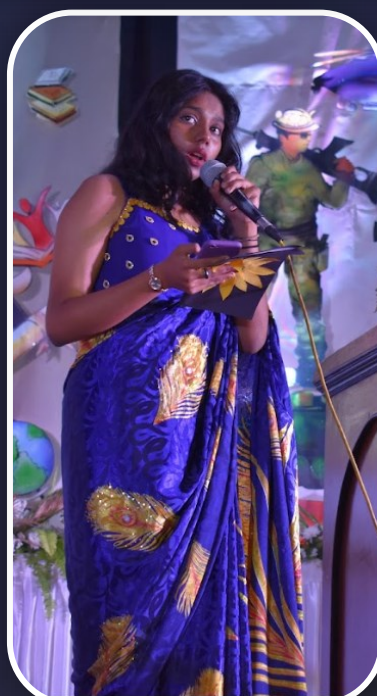

The students of class 12 were given their mementos, which was a moment worth cherishing. The staff choir singing “Keep on the Sunny Side” was an emotional moment for all the students. The Head Boy Ronak Samuel and the Head Girl Riya Shinde not only warmed the hearts of the audience but took their batchmates down the memory lane reliving the times they shared in the school. The Vice House Captain for Lunn house Yughandhar Desai who joined the boarding school at the age of 6 spoke profoundly about the role of the school in molding him and the memories he has with every member of the Boarding staff.

The highlight of the evening was a song presented by Siddhi Tulse—a cover of Miley Cyrus’ “I will always remember you” which left many in the audience teary eyed. Mr. Shayne McPherson delivered an inspiring speech telling the students the meaning of being a THOROUGH Bishopite. The program ended with Pranav Nair singing in his bold voice the School Song and National Anthem. Post the presentation the evening culminated with delectable food, clicking of photographs, infectious laughter and joy around the campus. The Girls were looking beautiful in their sarees and the boys looked dapper in their suits.

***“May the road rise up to meet you, may the wind be ever at your back.
May the sun shine warm upon your face and the rain fall softly on your fields.”
And until we meet again, may God hold you in the hollow of his hand.***
