

**THE BISHOP'S SCHOOL, CAMP**  
**JUNIOR SECTION-SECOND SHIFT**  
**REPORT ON HINDI DIWAS.**

*“The National Language is the spirit of our country and the character of its natives”*

It was on this day in the year 1994 that Hindi was adopted as the official language of our nation. To pay tribute and to mark the importance of our country's most widely spoken language, The Bishop's School, Camp Junior Section celebrated Hindi Diwas on the 14<sup>th</sup> of September 2022.

The function began with a word of prayer by our Principal, Mr. Joel Edwin.

An introductory message *“Hindi humaari shaan hai; desh ka abhimaan hai”* was conveyed by Mrs. Varsha Deshmukh.

A skit *“Hindi ki Betiyaa”* was enacted by the students. It was unique as it grabbed the attention of the audience as our blooming buds were all dressed up in different attires.

Poem Recitation *“Swar Warn Ki Kavita”* and the *“Hindi Diwas Song”* were the art of expression of thoughts and understanding towards language. The little learners enthralled their teachers and friends with their articulation and memory skills during the performance. Students also delivered their speech with great confidence and left no stone unturned to give in their best. A short moral story in Hindi was projected on the screen for the students.

The function culminated with a few words of encouragement by our Principal as well as our Junior School Supervisor, Miss Mayura Barsay.
