

The Bishop's Co-Ed School, Undri.

A Report on the Art and Craft Expo

"Art has the power to transform, to illuminate, to educate, inspire and motivate."

The Art Department of The Bishop's Co-Ed school, Undri organized an Art and Craft Expo on 6th and 7th February, 2024 in the Art room to provide an opportunity of creative expression to our students.

Our dear Principal Mr. Julian Luke admired the work done by our budding artists and his words of encouragement will surely boost the creativity of our students.

The 'Art and Craft Expo' was declared open by our Headmaster Mr. Ralph Russell along with our Headmistress Mrs. Melissa Fernandes, the Junior College Coordinator Dr. Mrs. Ulfat Baig and the Middle School Coordinator Mrs. Khandelwal.

The Art room was abuzz with excitement as the students proudly showcased their vivid art and craft works with myriad hues. The display ranged from work on paper plates, wooden panels, sketches, sandpaper paintings and a wide variety of artistic endeavours. Students from Classes II to X and the Junior College participated in the Expo.

The aim of the Expo was to tap talent at a young age, hone creative flair and instill confidence in the students which would motivate them to further sharpen their creative skills. The Art Expo was a resounding success.

As Einstein said, *"Creativity is contagious. Pass it on."* Abiding by this truism, students and teachers of The Bishop's Co-Ed School, Undri, parents and family came to the Expo and were left spellbound and creatively inspired.

Report by- Mrs. Poonam Sharma.

The commencement of
The Art Expo

Immersed in the colours and
emotions

This is the most beautiful place to be!

Mesmerizing talent!

The eyes say it all!
