**NURSERY TO V FOR THE ACADEMIC YEAR 2023-24**

**'What makes a child gifted and talented may not always be good grades in school, but a different way of looking at the world and learning.' —Chuck Grassley**

The Principal's address of classes of Nursery to V was held on the following dates-

<b>Classes</b>	<b>Dates</b>
Nursery	5 <sup>th</sup> April

Our Principal Mr. Julian Luke addressed the parents of classes Nursery to V following the re-opening of the school.

The welcome speech was followed by the opening prayers done by Mrs. C. Victor-Class Co-ordinator of Nursery, Mrs. M. Marian –the Second Session Pre-Primary Co-ordinator (for LKG, UKG), Mr. S. Francis-the First Session Junior School Co-ordinator (for classes II to V) and by Mr. G. Godfrey the Second Session Junior School Co-ordinator (for classes III, IV and V) respectively.

During the event, Mr. Julian Luke introduced the Heads, Class Coordinators, Class Teachers, and Subject Teachers. Their introductions were displayed simultaneously on a digital screen along with their photographs, qualifications, and hobbies.

Our Headmistress Mrs. Melissa Fernandes enlightened the parents with the rules and regulations of the school which needed to be adhered to by the students and parents. These are critical in bringing about discipline and setting up high standards that will facilitate young minds helping them achieve long-term growth.

Dr. Y Singh, our School Psychologist, shared an informative and inspiring message. She emphasized the role of parents in shaping a child's personality and upbringing from toddlerhood to adolescence. Dr. Singh also provided valuable information regarding behavioural and physical developmental changes that occur during the transitional period for students aged eight to ten. Her message was beneficial in

enhancing parenting skills and understanding the students' growing phase as they approach adolescence.

Our Principal, Mr. Julian Luke and our Headmistress, Mrs. Melissa Fernandes, proved the proverb that states: "If the heads of the school are strong, motivating, and good managers who clearly outline the expectations of the staff, students, and parents, then the school tends to make progress." They diligently addressed queries raised by some parents.

Our Principal Mr. Julian Luke then permitted the parents to interact with the teachers of their wards.
