**Inter House Quiz Competition – Junior College**

“Keep learning because knowledge is the key to power.”

Keeping in mind the resonance of the words, the Junior College of The Bishop's Co-Ed School, Undri, organised an Inter house quiz competition for the students of class XI and XII in the school auditorium on the 13th of September 2022.

The competition witnessed enthusiastic preparation and participation of students. There was representation of four different houses which consisted of two main and two stand-by fervent participants. We also had an enthusiastic audience from class XI and XII who watched the participants try their intellect.

The event began with the elucidation of the rules. It was an interesting eight-round competition consisting of Visuals, Science, Current Affairs, Sports, Commerce, History, Logical Reasoning, and Rapid Fire. The Rapid-Fire round was for one minute.

The aim of the competition was to test the learners' general knowledge. The students displayed their brilliance by rapidly answering the questions. The questions put forth to the teams were captivating, exciting and made the audience applaud excitedly when the teams answered correctly.

Although, each house actively participated, Wintle house and Young house bagged the first and the second position, respectively. The result was declared by the Junior College Co-ordinator. It was a highly informative and knowledge enriching competition not only for the participants but also for the audience.

The school aims at encouraging such positive competitions and hopes to bring out the best in all its students, while ensuring that the children learn through all possible ways not just through books and classroom sessions.
