

## REPORT ON LANTERN DAY – SECOND SESSION

Keeping in mind the rich tradition of the festival of Diwali, where lighting diyas and lanterns form an integral part of the celebrations; Lantern Day was observed on Tuesday, 7<sup>th</sup> of November 2023.

The children were actively engaged in making and colouring beautiful lanterns of different designs and shapes. The classrooms and corridors were then decorated with these bright and colourful lanterns.

All the tiny tots not only attended this event dressed in smart traditional attire but also brought traditional food like chakli, laddu, shankarpalli and karanji in their tiffin and shared the same with their friends.

The celebration and activities of Lantern Day developed in the children a deeper understanding of the culture and tradition of our country and also the importance of sharing and caring for one another.
