

THE BISHOP'S CO-ED SCHOOL, UNDRI
Report on FAREWELL ICSE & ISC 2022-23

'We are swimming in Different Waters now'

"They must often change, who would be constant in happiness or wisdom."

In keeping with the resonance of the words and the theme for the grandiose celebration, 'We are swimming in Different Waters now' the iconic twilight of 6th of February 2023 witnessed the grand valedictory ceremony organised for the students of Senior School and Junior College.

It was the unbounded generosity and thoughtfulness of the Principal, **Mr. Julian Luke** that engendered the innovative idea of airing the event live on Youtube to share the glorious moment with those who could not be present.

The event commenced with **Pastor Earl Smokey James** invoking the blessings of the Lord Almighty. The momentous occasion proceeded with a cordial welcome and an inspirational speech by our Principal. The esteemed Governing Body Members were subsequently commended with tokens of admiration for gracing the occasion with their august presence.

This unequalled dusk beheld the fervid Flag Presentation by the punctilious Prefect Body where the Head Boy and the House Captains handed over the baton of duty. Fraught with blended emotions, the pupils advanced the queue in a serpentine formation and witnessed one narrative of life stealthily amalgamate with another novel exposition.

Under the superintendence of the visionary Headmaster **Mr. R. Russell**; the Junior School Supervisor, **Mrs. M. Fernandes**, the epitome of perfection; Junior College Co-ordinator, **Dr. (Mrs.) Ulfat Baig**, the stalwart leader; the accomplished, **Mrs. Kurian** the Senior school Co-ordinator; other assiduous **co-ordinators and sectional co-ordinators**, the staff was prepared for the student commemoration.

The premises reverberated with the gleeful tone of the ebullient compere for the event, **Mrs. Khandelwal**. With peels of cheer the students were invited on stage and felicitated with souvenirs by the dignitaries. A deluge of wishes and blessings were showered on them by their respective class teachers. A compendious introduction to the venerable Chief Guest, **Dr. Shaila Bootwala** was furnished. The audience was bewitched by the wisdom and eloquence of the eminent chief guest.

As the evening advanced, the impassioned glances among the students and parents grew intense. **Dr. S. Satav**, parent of a class X student and **Mr. S. Ranadive**, parent of a Junior College student delivered speeches, respectively, that heralded their profound gratitude for the institution. Under the guardianship of the erudite and adept educators of the **English Department, Parth Kejriwal, Shreeya Mundada and Kriti Cheyyur** led the audience down the memory lane which brought a lump to the students' throat. The Head Boy, **Armaan Kutty's** speech was abounded with praises for the institution. The Head Girl, **Vardhini Gujrati** proposed the vote of thanks.

The '**Staff and Student Choir**', impeccably trained by the **Music Department**, enthralled the audience with melodic voices. The techno dexterous **Computer Department** and the avant garde **Art Department** succored the celebratory event in its entirety. The **Junior School Co-ordinator and staff**, the mainstay of the institution, contributed markedly to the resounding success of the event. An expeditious **Estate department** and the conscientious **Office Staff** ensured smooth functioning of the event. The meticulous paper trail followed by the industrious **Ms T. David**, the secretary to the Principal, deserves a true mention. While the dynamic **Sports Department** manifested remarkable resourcefulness, the delectable repast served by **Mr. Joshi and Mr. Sigamani** augmented the air of festivity.

The evening was a fiesta devoted to the years spent together with friends and teachers to reminisce the joyous moments as all gathered together to fellowship in a Sumptuous Dinner.
