

## Frida Gallery Art Exhibition Visit

*"I don't paint dreams or nightmares, I paint my reality."* - Frida Kahlo

The Art Exhibition, "Following the White Rabbit", took place in the Frida Art House of the Ritz-Carlton, Pune, on 11th September 2023. The students were accompanied by the art teacher, Mr Yogesh Ghadge and Mrs Michelle Bhutia.

On account of Teacher's Day, Jindal Global University invited schools from all over Pune to explore various forms of applied art, mainly the Arts and Humanities streams. The students were welcomed into the gallery, after which they were free to explore and interpret the artworks.

After being allowed to peruse for half an hour, the art curator Vaibhav Shah gathered them all and described every work of art from the artist's perspective. He extensively explained to the students- the materials used, the time and effort taken for each work, and the various forms of art displayed. The students were also lucky enough to be

graced by the presence of one of the artists herself.

He explained the importance of drawing in life saying, "If you go to a foreign country whose language you cannot speak, draw a cup or a mat, they will understand and take you to those things." The gallery had works of artists from all over the world. Some showcased the harsher realities of life while some, the simpler.

Truly following the essence of Frida Kahlo's words, the artists painted their own realities

The visit ended on a wholesome awe-inspired note. The students were informed of the various job opportunities in the field of art. They were given a great opportunity to interact with India's top leading artists and their work free of cost.
