**'CHILDREN THE FUTURE OF TOMORROW'**

**(CHILDREN'S DAY PROGRAMME 2022-23)**

**"TRULY I TELL YOU, UNLESS YOU CHANGE AND BECOME LIKE LITTLE CHILDREN, YOU WILL NEVER ENTER THE KINGDOM OF HEAVEN."**

**Mathew 18: 1-5**

Children are God's precious gift to the world, and we have every reason to celebrate their day. Every year, the Children's Day programme has been a way to make children laugh and be who they are. We celebrate this day throughout India to mark the birth anniversary of Pandit Jawaharlal Nehru, India's first Prime Minister.

The children's day programme was held in the B4 Auditorium, of the Bishop's Co-Ed School, Undri, which began by a grand welcome to the students by Mr. Yardi which was followed by a short prayer by Mrs. Nazareth.

Thereafter, Our Headmaster, Mr. Ralph Russell, invoked God's blessings upon the children and read a special message by the Principal which stated - "Life is all about challenges and all you have to do is win them, nothing is impossible in this world because hard work is one thing that can make any goal achievable."

This was followed by the welcome song performed by the staff choir "You are the Children of Tomorrow" which emphasized that children are our future; together they can make a difference in the world and society.

Dance makes feet move with a beat and it radiates a smile to every face around. The teachers of the Middle and Senior School put a fusion dance which was thoroughly enjoyed by the students. This was followed by a children's day message by Mrs. Aich which highlighted that children are precious gems in whom lies the future of tomorrow.

The students of the Alfresco put up a show - 'Rock on' and 'Sur Sangram' in which they sang songs like- I Want to Break Free, Have You Ever Seen the Rain, Dildara, Chosen etc; which the students sang along with great enthusiasm.

To make the event even more exciting, the skilled dancers of the Junior College staff put up a 'Lazy Dance' to catchy tunes which left the students so entertained that they wanted more.

The event concluded with a performance called 'Happy Feet' a blend of various dances, by the students of Alfresco, which filled the auditorium with great delight.

Children's day is an important event not only for the children, but also for parents and teachers as this day celebrates the spirit of childhood and reminds us that our children need to be loved and cared for.
